Gujarat Technological University is a premier academic and research institution which has driven new ways of thinking since its foundation in 2007, established by the Government of Gujarat vide Gujarat Act No. 20 of 2007. Today, GTU is an intellectual destination that draws inspired scholars to its campus, keeping GTU at the nexus of ideas that challenge and change the world. GTU is a State University with 486 affiliated colleges in its fold operating across the state of Gujarat through its FIVE zones at Ahmedabad, Gandhinagar, Vallabh Vidyanagar, Rajkot and Surat. The University caters to the fields of Engineering, Architecture, Management, Pharmacy and Computer Science. The University has about 4,00,000 students enrolled in a large number of Diploma, Undergraduate, Post Graduate programs along with the robust Doctoral program.

Under the visionary leadership of **Prof. (Dr.) Navin Sheth**, Vice Chancellor of GTU, GTU Innovation Council (GIC) has continued its mission for IP literacy for faculty and students, which has started **since September 2011**. Till today GIC had organized **more than four hundred workshops** for faculty and students, based on various themes viz. "Patenting in Engineering", "Patenting in Pharmaceuticals", "Patent Search Methodology", "Patent Search and Analysis Report (PSAR)", "Patent Clinic", "Patent Drafting Exercise (PDE)", "PatentTrack", "PCT Patent Journal Analysis Activity" "Creation of Project Monitoring and Mentoring System (PMMS)" etc. By all such workshops and seminars at present GTU has a very large pool of more than 6800 trained faculty, who have been trained and made aware about the basics of IPR & Patents in particular and also for the basics of patent search methodologies. Due to these efforts, till today **more than 400 Patents** have been filed by students and faculty of GTU affiliated colleges. And due to all these **now GTU is one of the largest IP literate university in India.**

***To celebrate the 150<sup>th</sup> birth anniversary of Mahatma Gandhi, and to give him novel kind of academic tribute, GTU has planned to conduct 150 Intellectual Property (IP) awareness and advanced workshops at schools, colleges & other universities across the state of Gujarat.***
